## Announcement on new Tabung Haji CEO expected

THE office of the minister in charge of overseeing Lembaga Tabung Haji has declined to comment on a report regarding the appointment of a new chief executive officer (CEO) for the fund.

However, it is understood that an announcement on the new CEO will be made in the next few days.

Tabung Haji is overseen by the

Minister in the Prime Minister's Department, Datuk Dr Abdullah Mohd Zin.

Ismee Ismail, currently the CEO of ECM Libra Securities Sdn Bhd, is set to be the one to succeed Datuk Mohammad Bakke Salleh as CEO of Tabung Haji, sources told Business Times recently.

Bakke has left the pilgrimage fund to help run Felda Holdings Bhd, a plantations group.
