## TSR, Tabung Haji to build educational institutions

TSR Capital Bhd said it will partner Lembaga Tabung Haji to build educational institutions to be located on a township being developed by the pilgrim's fund.

TSR, a construction firm, will hold 70 per cent of the joint-venture company, while TH Properties Sdn Bhd, the property arm of Tabung Haji, holds the balance.

The projects include UTM Medical City@enstek, Kolej Tunku Kursiah, Politeknik and

Institute Aminuddin Baki, TSR said in a statement to Bursa Malaysia Bhd.

The institutions will be located on land owned or designated for the use of the Ministry of Higher Education and Ministry of Education at @enstek, Bandar Enstek, Negeri Sembilan.

The projects will not contribute positively to profits for the year to December 31 2005 but it will have a positive effect in the future.
